MEET YOUR TEAM

Trevor Rose

Partner

I have been an estate agent for over 40 years and opened the Petts Wood office in 2000. I manage the smooth running of the business and secure new instructions to sell. I use a hands-on approach, lead by example, and always aim to provide the best in customer care and service. I start my day with an early morning swim at the Walnuts Leisure Centre.

Carl Smith

Senior Sales Negotiator

After achieving a BSc in Business Studies and Sport & Exercise Science, I worked within the pensions industry for a year. I decided that working in the diverse world of estate agency would suit me perfectly as I love meeting new people every day. Outside of work I am a self-confessed movie buff and proud supporter of the ever-unreliable Arsenal!

Carole Hoggan

Sales & Lettings Administrator

Prior to joining Proctors in 2018, I worked with other estate agents for 10 years as well as working for national newspapers including the Bromley News Shopper. At Proctors I look after every single aspect of administration supporting both the sales and lettings teams, and love the variety it brings. Amongst my hobbies, I am particularly passionate about running and am a member of Petts Wood Runners.

Joanne Rose

Sales Support

After a long stint in the city and taking some time out to start a family, I joined my husband Trevor at Proctors ten years ago. I love helping our clients find their dream home, and with plenty of character properties in Petts Wood it's never too difficult. When I'm not busy at work, you'll find me at the gym, or if I'm lucky enough, on holiday!

Jason Stockdale

Sales Manager

My dad once told me that he thought I would enjoy being an estate agent and he was right. I have now been at Proctors for over 20 years and love everything about my job. Outside of work I enjoy playing golf, watching films and comedy.

Nick Rose

Partner

I started full-time at Proctors in January 2016 after working some Sundays and covering staff holidays. This led to working full time and my favorite aspect of the job is getting to know the people that walk through our doors and negotiating a great deal. I am a massive football fan and even travelled around Brazil to follow the England team during the World Cup in 2014.

Dawn Smith

Sales Coordinator

I have been working happily within the property industry for almost ten years. There are lots of great things about the job, but meeting people and helping buyers find their ideal home are my favourite parts. When I'm not in the office, I am an avid reader and love visiting the coast.

Don't take our word for it

"We can't thank the team at Proctors Petts Wood Office for their considerable help with the selling of our property which in turn enabled us to buy our new home. We were very impressed by their communications throughout the process and their friendly, courteous regular updates. They went the extra mile when our removal company dropped out at the 11th hour by taking a lot of time to help us successfully find a replacement. We are most grateful to Trevor, Jason and the team for all their help. 10/10 service!!"

Mr and Mrs Griffin
