John Tilzey

Partner

I have worked in the property industry for over 27 years with 15 of those spent at Proctors. I love the variety of my job, getting to view different properties each day and meet new people. There is nothing more satisfying than winning a new instruction. Outside work I spend time with my family including my two sons and my two cats. I have a passion for music - I frequently attend concerts, I play the flute and percussion and I am learning the trombone. I am also an avid football fan and enjoy the occasional bad round of golf!

I have been involved in estate agency around the Bromley area since 1981 and have been working with Proctors for 10 years. No two days are the same in my job, which makes it very interesting. Like John I also enjoy music. I sing in a choir and am a member of West Wickham Operatic Society. I also love motorcycling and skiing.
