SERVICES OFFERED

Prior to Let

We take a £180 (incl VAT) arrangement fee from the prospective tenant to show their good faith. Should you withdraw from the rental, 100% of the fee is returned to the prospective tenant. If the tenant is found to be unsuitable, or withdraws, the fee is retained by Proctors.

We also carry out stringent referencing to determine a tenant's suitability. For this, we take a £60 (incl VAT) fee per person (over the age of 18 years) which is non-refundable. References are carried out by an independent company to ensure impartiality.

Deposit

We will take a deposit equivalent to six weeks' rent, prior to the tenants moving in. All deposits paid to us are protected by one of the government's Tenancy Deposit Protection Schemes and in the unlikely event of a dispute at the end of the tenancy we can refer the matter to The Dispute Service who will adjudicate.

In-House Management

All lettings matters are dealt with in branch; unlike competitors, we do not have a central call centre. The Bromley team are the first and last point of contact for all queries. Management, accounts/rent collection, legal matters and renewals are all arranged by our experienced and fully trained professional team.
