SITUATION

Design House is located on the southern side of Long Lane, close to the junction with Weston Street and within 400m of the popular Bermondsey Street and less than 700m from the vibrant Borough Market locality.

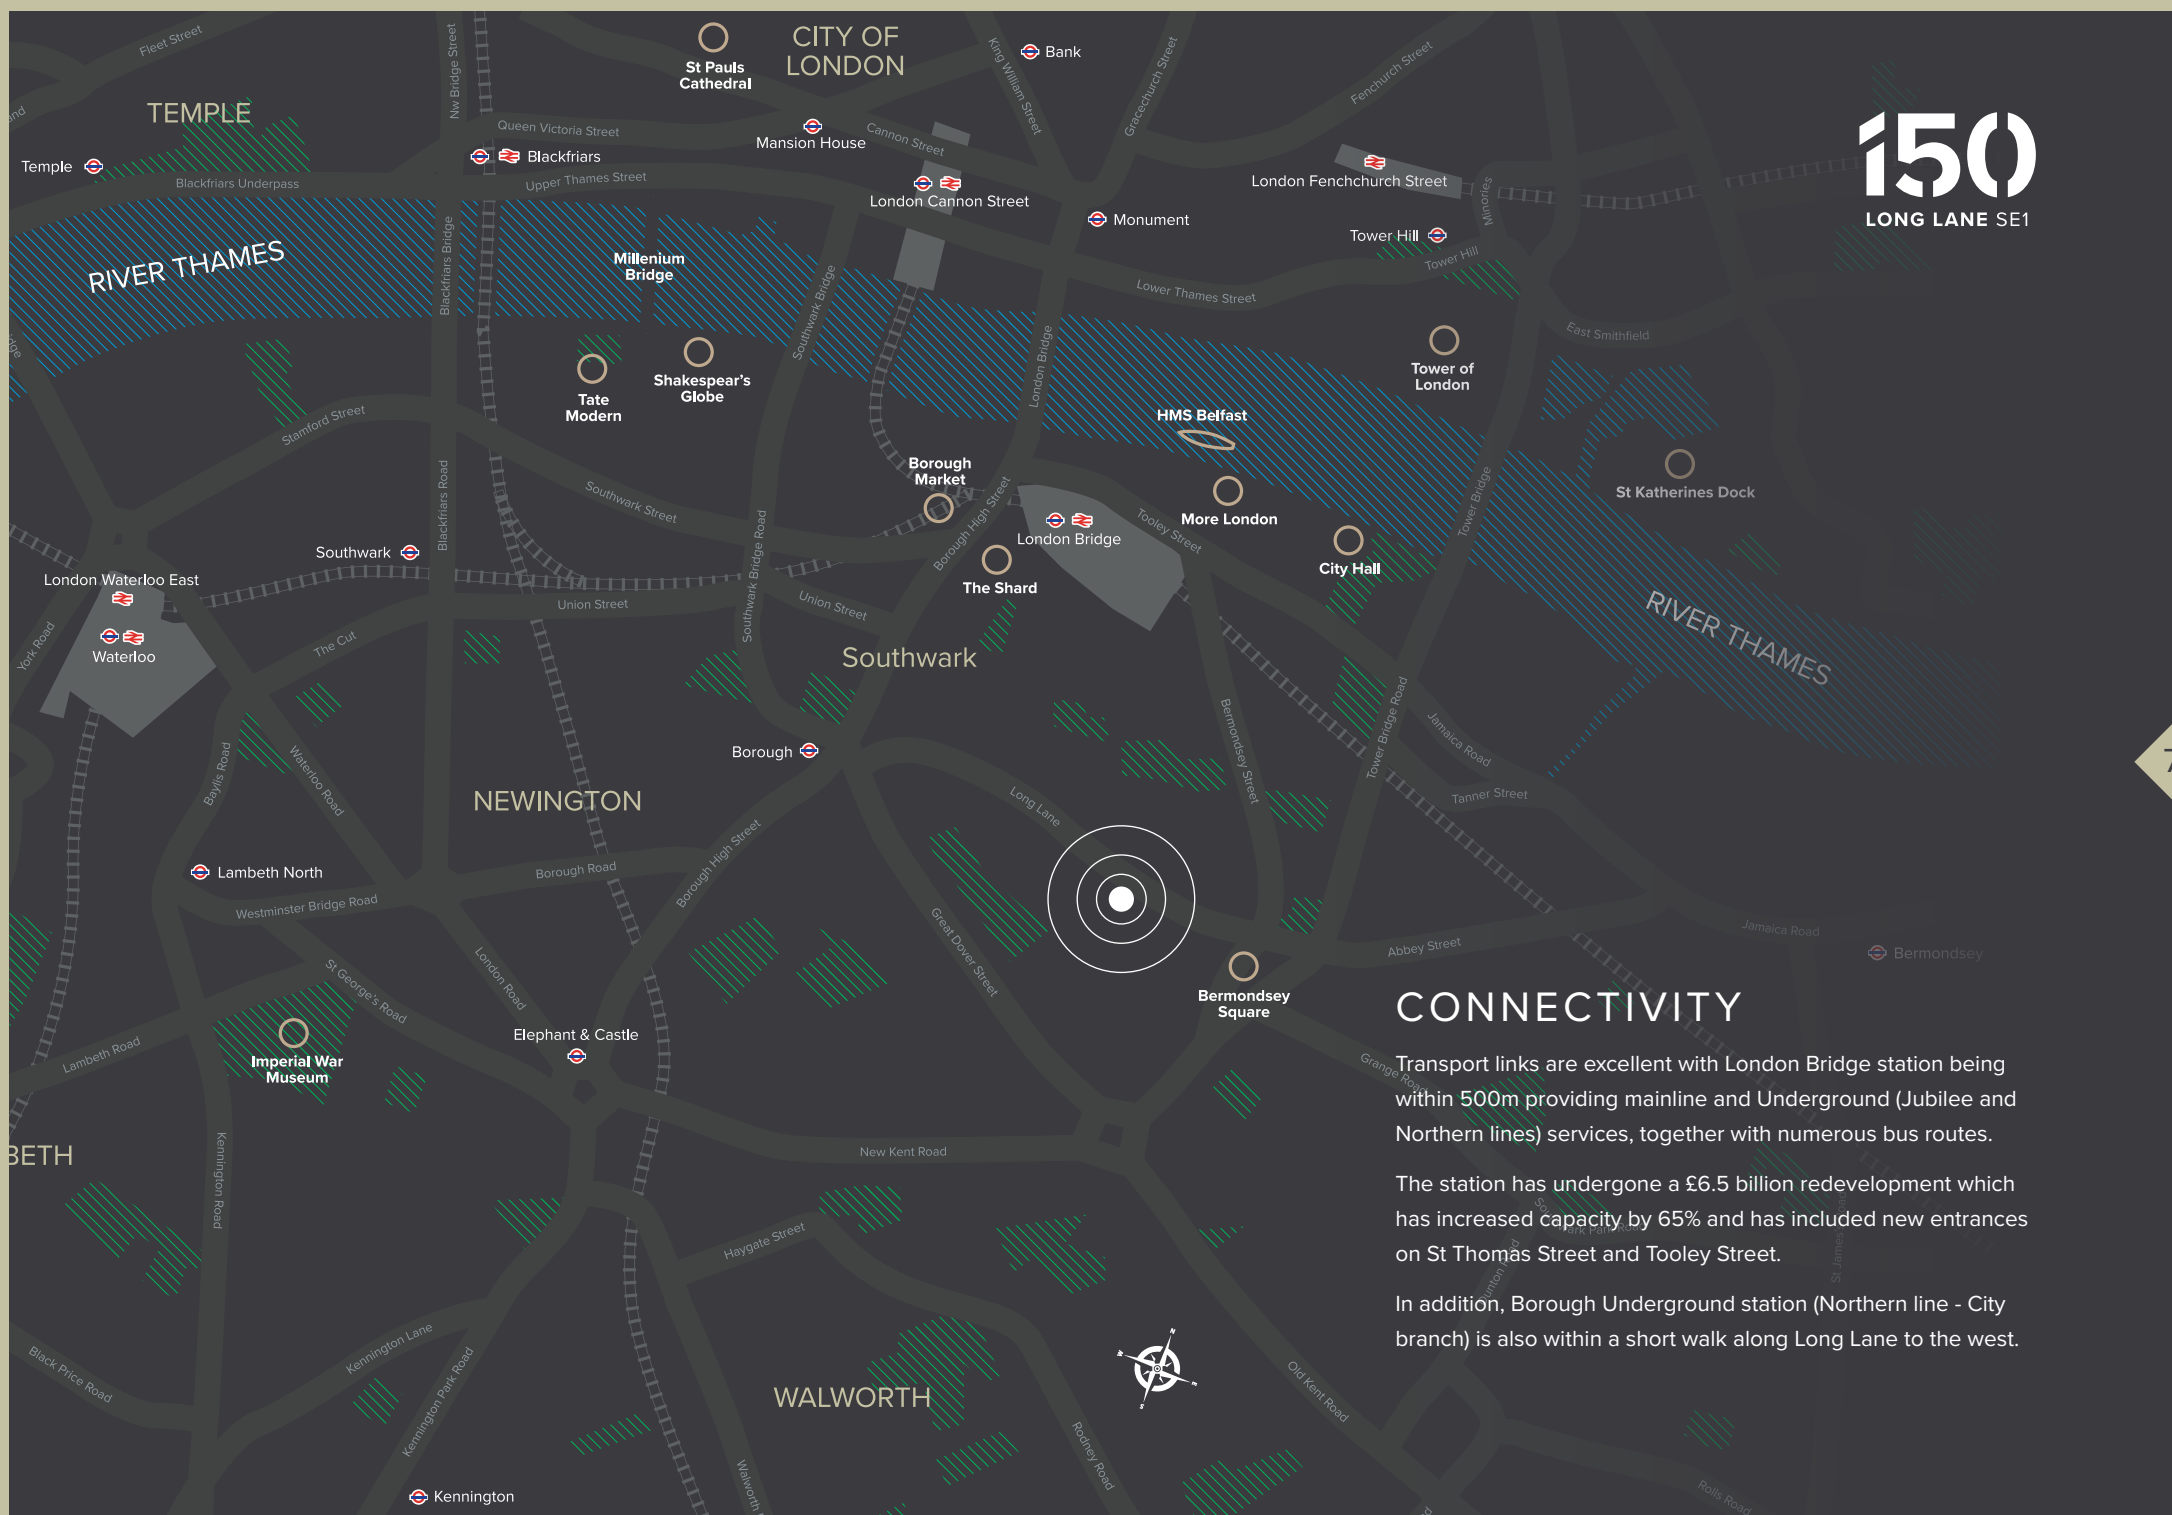

The wider SE1 area has and continues to undergo extensive regeneration to provide numerous new office buildings and high quality residential property, together with various other bar and restaurant facilities. High profile schemes completed over recent years include, More London, Bankside, Bermondsey Square and London Bridge Quarter, which includes 'The Shard'.

Southwark is now well established as one of Central London's most desirable commercial locations with occupiers including News UK, PwC, Ernst & Young, The FT, Norton Rose Fulbright and The GLA headquarters.

In addition, the large South Bank University campus is located less than 1 km to the south west of the property and the extensive Guys Hospital site is located to the north before London Bridge station (including Kings College medical school).

CONNECTIVITY

Transport links are excellent with London Bridge station being within 500m providing mainline and Underground (Jubilee and Northern lines) services, together with numerous bus routes.

The station has undergone a £6.5 billion redevelopment which has increased capacity by 65% and has included new entrances on St Thomas Street and Tooley Street.

In addition, Borough Underground station (Northern line - City branch) is also within a short walk along Long Lane to the west.
